

Margaretta Boys Basketball
Biddy Basketball Program 2011-2012

Once again Margaretta Boys Basketball will conduct a Biddy Basketball program for boys in grades 3-6 this winter. Two practice sessions will be held in December to address fundamentals & skills necessary to play basketball. Following winter break we will begin with games on January 7th and ending on February 4th. Participants will receive a game t-shirt, instruction on skills & rules of the game and play in five games (**depending on the weather.**) Also, the 5th and 6th grade participants will play at halftime of a junior varsity game (**date to be determined**) this year. Below you will find the dates of practices & games. Please detach bottom portion and return to us on December 10th prior to your son participating. **Cost for the program is \$10. Checks should be written to Margaretta Boys Basketball and can be paid on December 10.**

Thank you,

Troy Roth
Varsity Basketball Coach
