Mrs. Burkett's and Mrs. Wobser's Weekly Newsletter

2009 - 10

May 24 - 28, 2010

Here's what we are learning:

We reviewed all the spelling and vocabulary words we have had all year long.

We reviewed story elements. The characters are who or what the story is about. The plot is what happens in the story.

We reviewed how to summarize. That is when you write a sentence to tell about a story.

Mrs. Burkett's homeroom has been working on their presentation of the "Three Little Pigs" and "Stagecoach Mary."

We have been reviewing all the different things we have learned this year in math. We have been playing Everyday Math games on the SmartBoard.

We are learning about forces of motion in science.

In social studies we are learning about geography and we are putting our America Book together.

Announcements:

As the weather gets warmer, please remember that the students must wear appropriate school clothes. One huge problem has been the wearing of tank tops and other sleeveless tops as well as shorts that are too short. Please check the handbook for further details.
