Mrs. Burkett's and Mrs. Wobser's Weekly Newsletter

2009 - 10

September 14 - 18, 2009

Here's what we are learning:

We reviewed that short "a" makes the same sound you hear in apple.

We are learning about sequencing events in their proper order.

We learned that the order of words in a sentence is important. Otherwise the sentence will not make sense.

We continue to practice "hopping" on a number line.

We practiced counting to 100 by 1s, 5s, and 10s.

We practiced making tally marks and made "tally charts."

We practiced stating numbers that were one more or one less than a given number.

We learned about thermometers and practiced reading them to find the temperature.

We reviewed ordinal numbers of first through sixth.

We are learning about manners in science.

In social studies we are learning what it means to be a good citizen.

Reported by: The Students

Special Events this week were:

1. We had our school pictures taken on Monday.
2. We celebrated Elizabeth's birthday on Wednesday. She is in Mrs. Burkett's homeroom.

*** Please turn over ***

Special Events coming next week are:

1. We will have an assembly on Monday, September 21st to kickoff our Fall Fundraiser.
2. Mrs. Wobser's homeroom will have their guidance lesson with Mrs. Wiley on Wednesday, September 23rd.
3. We will celebrate Johnny Appleseed Day in math class on Friday, September 26th. **Remember to bring an apple to school on Friday.**
