

Planning for college? A career? The SAT, ACT, PSAT, or AP Exams? You now have free access to an online resource center that can help you with all your preparation. Margaretta High School is pleased to announce that the Peterson's Student Edge is available for all Margaretta students. Student Edge gives you the access to test preparation, college searches, a scholarship search, financial aid tools, a career assessment and a resume builder – all in one location and totally free! Students will also get a personalized to do list that will guide them through the planning process. Even 9<sup>th</sup> grade students can get a head start on their college and career prep with the online practice test and career assessment. You can access Student Edge by going to [www.mystudentedge.com](http://www.mystudentedge.com). First time users should see Mrs.Cullen, Mrs.Cook or Mrs.Lott in the guidance office to get our access code.
