Activities Participating In _____

In accordance with the Ohio Department of Education Policy (ORC 3313.603) and Margaretta Local School Board Policy, a student may participate in cheerleading, marching band or interscholastic athletics to fulfill the physical education requirement for graduation.

- ❖ PE Waiver was adopted by the Margaretta School Board for the 2021-22 school year.
- ❖ Allows a student to waive the required .50 credit in PE by participating in the approved activity.
- ❖ Approved activities include: Cheerleading, Interscholastic Athletics, Marching Band, Power Lifting, Choir and Dance Team.
- ❖ A grade of Pass or Fail will be issued. Therefore, it will not affect a student's grade point average as a credit is not issued.
- ❖ **A student must successfully complete two separate seasons, during two separate school years, in the approved activities in order to waive his/her physical education requirement.**
- ❖ **Another form must be submitted the following year to satisfy the waiver requirements to Student Services.**
- ❖ **Waivers to be considered for the 2021-22 school year must be turned into the Student Services Office by May 7th, 2021.**
- ❖ A student that quits or is cut from an activity cannot use that activity to meet the two season requirement.
- ❖ All students must be registered for six classes. The PE waiver cannot be used if student does not meet this requirement.
- ❖ Upon successful completion of the approved activity, the Athletic Director or Band Director will sign and return to the Guidance Office to satisfy the PE requirement.
- ❖ It is the responsibility of the **student** to turn this waiver form into the Student Services Office. Failing to do so will result in the waiver request being declined. Teachers will be assigned to classes according to what students have requested and/or need. Because of this, all students that need PE to graduate and do not request a waiver before the deadline will be placed in a PE class.

I plan on participating in the following activity that would satisfy ¼ credit.
