The Community

Margaretta Local School District is a predominantly rural district located in the north central part of Ohio. It contains the village of Castalia and has approximately 144 square miles of area located in two counties. (Erie and Sandusky) and three townships (Margaretta, Townsend and part of Groton). Lake Erie is north, Sandusky City lies to the east, Fremont is west and both Clyde and Bellevue border the southern area of the district. The population is mainly employed in blue collar positions or the agribusiness community.

Accreditation

Margaretta High School is affiliated with the National Alliance for Effective Schools and the Ohio State Board of Education.

Mission

The Margaretta Local Schools District will deliver an education that supports academic achievement, in a safe environment, that provides the knowledge and skills needed to be college and career ready. The Margaretta Local Schools District will empower and support students' success by nurturing unique abilities and passions.
