## **RECORDS DISPOSAL POLICY**

The orderly acquisition, storage and retention of school district records is essential for the overall efficient and effective operation of the district. The Board of Education establishes a district records commission to govern matters pertaining to district records, their retention and disposal in accordance with ORC 149.41.

The records commission shall consist of the board president, treasurer, and superintendent. The treasurer shall serve as chairman/secretary of the district records commission. The members of this commission shall appoint necessary records officers through the district to carry out the necessary work associated with district records.

The district records commission shall meet at least once annually to review certificates of records disposal forms (RC-3) as submitted by the records officers. Upon the approval of the commission, such records may be disposed of, pursuant to the following standards:

1. Procedures to dispose of records according to the school district's approved schedule of records retention and disposition (RC-2) will be initiated annually.
2. Records officers will list those eligible, disposable records on the certificate of records disposal (RC-3), in accordance with the district's approved schedule.
3. The records commission shall review the certificates of records disposal forms as submitted, annually.
4. Upon the commission's approval, the certificates (RC-3) will be forwarded as follows:

Original	-Forward the original to the Ohio Historical Society Network Specialist for your County. See attached map to determine your County's Record Specialist.
Copies	-Keep one copy for the Record Commission files.  -The Ohio Historical Society Records Specialist will send a copy to the State Auditor's office on your behalf. The school district does not need to send a copy to the State Auditor's office.
5. Records shall be destroyed only as directed by the district records secretary.
6. The district records shall develop the necessary regulations and record retention schedules to carry out their purpose.

## **RECORDS RETENTION AND DISPOSAL PROCESS INSTRUCTION HANDOUT**

### **TERMINOLOGY:**

- RC-2:** The RC-2 Form is used to establish the general Schedule of Records Retention and Disposition to be used by your entity. It must be created and approved by your Records Commission per the Ohio Revised Code and then approved by both the Ohio Historical Society and the State Auditor's Office.
- RC-3:** The RC-3 Form is also called the "Certificate of Disposal." This form gives notice as to when records are to be disposed according to the pre-approved general Schedule of Records Retention (RC-2). This form simply serves as notice to the Ohio Historical Society and State Auditor's Office that records will be disposed of by your entity per your pre-approved general Schedule. You should prepare and mail the RC-3 to the Ohio Historical Society fifteen (15) business days prior to disposal.
- RC-1:** The RC-1 is a one-time records disposal schedule. It pre-empts the RC-2 and approval is limited to the listed documents only. We do not encourage use of this form, as a system adhering to the RC-2 and RC-3 format is more efficient and cost-effective.

### **PROCEDURE:**

#### **RC-2 Process**

1. Create and adopt a general Schedule of Records Retention and disposition for entity.
2. Submit this Schedule to your Department Head for approval if applicable.
3. Submit and obtain approval of this general Schedule from your local Records Commission per the Ohio Revised Code. (See Ohio Revised Code Section 149.38 for municipalities, 149.41 for school districts or 149.42 for townships for the composition of your commission.)
4. Make and keep one copy of the general Schedule for the Records Commission file. Maintain a copy for your files.
5. Once approved by your Records Commission, forward the general Schedule to the Local Records Specialist from the Ohio Historical Society. See the attached map for the Ohio Historical Society for your county.

6. The Ohio Historical Society Records Specialist will review and approve the schedule if acceptable, and then forward to the Auditor of State Records Officer in Columbus, Ohio.
7. The Auditor of State Records Officer will review and approve the Schedule and make two (2) copies. One (1) copy will be maintained in the Columbus office. Another copy will be sent to the Regional Auditor in your entity's district. The original Schedule will be mailed back to the Ohio Historical Society Records Specialist in your county.
8. The Ohio Historical Society Records Specialist will make a copy and mail it to you for your records and will keep on (1) copy for its own files.

### **RC-3**

#### **Process:**

1. Once the General Schedule has been approved by both the Ohio Historical Society and the State Auditor's Office and is in place, you will use the RC-3 Form to activate the disposal process. Your entity's Records Officer must complete the RC-3 Form when disposal is timely according to the pre-approved RC-2 General Schedule.
2. Complete the RC-3 Form and make one (1) copy for your Records Commission files. Maintain one copy for your files.
3. Mail the original RC-3 Form to the Ohio Historical Society or Records Specialist in your county. See attached map.
4. The Record Specialist will forward to the State Auditor's Office on your behalf.
5. You will not receive the original RC-3 Form back. Its purpose is to serve notice to both the Ohio Historical Society and State Auditor's Office that disposal of records is to take place.
6. Wait fifteen (15) business days after mailing the RC-3 Form to the Ohio Historical Society and then dispose of records according to the approved Schedule.
7. If for some reason, disposal is not appropriate, you will be informed within the fifteen (15) business day period established for such a situation.
